# Feedback from Locals & Districts

- Define an improved 2005 pavement rating submittal process
  - Local/County feedback will increase odds of loading pavement rating data
    - Time spent now will pay dividends:
      - Increase success with loading data in WISLR
      - 2005 – “give me back the rating sections that I sent in”
- Post WISLR Evaluation & Feedback
  - District Local Road Coordinators
  - Central Office Users
  - WISLR Technical Team
  - Local Government

# Upcoming WISLR Activity

- **Local Government WISLR Pilot**
  - **When: December 12, 2003**
  - **Goal: Allow Local Update Access**
  - **Will be scheduling another Pilot in January 2004 before Spring 2004 Local Training**
